**TRANSSKRIFTION**

Copenhagen 1/6-65

Dear Paik

I think it is a good idea to inform you about what is going with yours engagement, yours Scandinavien turné.

I believe it will be in that way:

Stockholm: 16. + 17. sept. I. + II

Copenhagen: 19. + 20. + 22. sept. II + II + I

Århus: 24. sept. ?

I have not got any answer from Oslo, but I have heard ( from behind ) that they have no money there for this case. That is why I have asked in Århus, the second biggest town in Denmark, I have no answer but let us see.

Facts is that Stockholm and Copenhagen is interested and that I have told them that you and charlotte has two types of programs:

I entrance Music - for a string-player - Synergy - Per Arco - Plus Minus - Duet II - Variations on a theme by. Saint Saens - Exit Music.

II Robot Opera
