Dear Henning

We thank you very much for renewing your membership to the Friends of the Richard Demarco Gallery. Please find enclosed your current membership card.

We held an auction recently in the Gallery and this was fairly successful. Next month, there is a Summer School - Edinburgh Arts, commencing on 29th for 6 weeks, when there will be about 100 students and teachers here to talk and learn about Scotland and art, also international aspects of art.

We continue to have monthly exhibitions. If you are ever coming over to Scotland do let us know.

Yours sincerely
