We have a theater (a small one, 115 seats) in the middle of copenhagen and we can get it for you the 5. and 6. of september. It is our plan that you and Charlotte Moorman should do the cello-program saturday afternoon at 4 o'clock and a quite new program sunday night at 8 o'clock or maybe you have another proposal, but at first we want to know if you can go to Stockholm at that time too, if you can not do it then I will try to arrange it on another data - october - november - december?

I should like to know if you have got a letter from me 3 weeks ago. YES or NO?

Ofcourse it is a little difficult to have a come back after a really good performance (Louisiana) lot of talk and discussion afterwards, but I think it is the best moment now if you can - want - will - has to - I myself want to see your new face.
