Skandinavisk turné Nam June Paik og Charlotte Moorman

TRANSSKRIFTION

Now it is time to inform you about what is going on with yours Scandinavien turné.

It can be in that way:

Stockholm : 16. + 17- sept. I + II

Copenhagen: 19. + 20. + 21 sept. II + II + I

Århus: 24-. sept. (?) ?

Facts is that Stockholm and Copenhagen are interested and that Oslo has to many concerts in sept.. That's why I have asked in Århus, the second biggest town in Denmark, I have no answer, but a good hope.

When I wrote to you, I thought that you already had a turné in Germany in sept. - oct.. Vostell told me that you would go to Berlin and work in a festival in sept. where I will go too.

But how about the economy in this.

I have tried to get enough money for aeroplan and all you need but the sections can only pay manage 100 \$ for each concert, it means that you and Charlotte can get 500 \$ together in scandinavien. and that's why I thought we didn't have to pay the whole plan

Now I want to know very fast if it is possible (the debate has not stoped) yes or no, if it is not possible then we must try to make a bigger europe - turné for you and charlotte, but later.
