Kære Henning Christiansen,

Tak for det flotte materiale du havde fået samlet. Det er endelig indspillet
på CD, sådan set klart til jukeboxen.

Men, men, men ...

Kunne du evt. finde flere real-oplysninger, credits eller hvad vi skal kalde
det. Værkfortegnelsen skal gerne være optimal.

Til inspiration sender jeg et eksempel på, hvordan en af de unge lydfolk,
Jakob Draminsky har organiseret og udvalgt oplysninger.

Jeg glæder mig til evt. at lægge vejen forbi Block's Skulpturmark d. 8.
august. Det ser lovende ud.

Fortsat god sommer.
